Hood's Sarsaparilla

Is prepared from Sarsaparilla, Dandelion, Mandarilla, Dock, Pipsissewa, Juniper Berries, and other well-known and valuable vegetable remedies. The combination, proportion and preparation are peculiar to Hood's Sarsaparilla, giving it curative power not possessed by other medicines. It effects remarkable cures where others fail.

"I consider Hood's Sarsaparilla the best medicine I ever used. It gives me an appetite and refreshing sleep, and keeps the cold out." J. S. FOGG, 106 Spruce Street, Portland, Me.

Purifies the Blood

"When I thought Hood's Sarsaparilla I made a good investment of one dollar in medicine for the first time. It has driven off rheumatism and improved my appetite so much that my boarding mistress says I must keep it locked up or she will be obliged to raise my board with every other boarder that takes Hood's Sarsaparilla." THOMAS BURELL, 99 Tillary Street, Brooklyn, N. Y.

"I find Hood's Sarsaparilla the best remedy for impure blood I ever used." M. H. BAXTER, Ticket agent, P. & R. Rd., Bound Brook, N. J.

The Blizzard.

NEWARK, Mich., March 12.—The two days' blizzard just ending has been the worst of the year for railroad men. The Chicago and Northwestern train due here at 1 o'clock yesterday, stuck at Mason, and is still there in drifts with the engine dead. The southbound train is at Brampton, having been shovelled out two or three times. On the Duluth, South Shore and Atlantic, the Mackinaw division is closed to traffic with the west-bound express and snow plows all snowed in on the eastern half of the division. No eastbound trains were started from Marquette. Passenger train No. 9 on the Pennsylvania Railroad collided with a heavy freight near Huntington this morning, and both trains were wrecked. The engineer and fireman of the passenger train were instantly killed, and a freight brakeman and a Pullman passenger were seriously hurt. Other passengers escaped with a severe shaking up. A severe storm was raging on the mountains, and the crew on the freight train were almost frozen.

Worth Knowing.

Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold, attended with a distressing cough and running into consumption in its first stages. He tried all the so-called popular cough remedies, but steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures, as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. — Trial bottle free at A. C. Smith & Co's Drug Store.

Overtaken by Law.

DENVER, Col., March 11.—Sheriff Stoddard, of Rice County, Kansas, arrived here yesterday, with a requisition from the Governor of Kansas for the arrest of A. C. Meyers and Frank West, charged with the murder of Archibald Douglas, a stockman at Lyons, Kansas, twelve years ago. The accused are two of the most prominent and wealthy citizens of Durango, Colorado, both having families connected with the church. The sheriff left here this morning to make the arrests.

Ten Thousand Reward.

CHICAGO, March 11.—General Superintendent of Police Hubbard announces to-night that he is authorized by the widow of Amos J. Snell to offer in lieu of previous amounts, a reward of \$10,000 for the arrest and detention, until identified by the Chicago authorities, of Wm. B. Tascott, the supposed murderer of her husband. The reward holds good for sixty days from date.

The Strike Off.

HAZLETON, Pa., March 12.—Knights of Labor have declared the miners' strike in Lehigh region off and in a few days every colliery will be at work. The community at large are highly elated over the prospects of resumption.

To Day, Not To-Morrow.

Procrastination is not only the thief of time, but of health and life. It will not do to dally; for example, with a violent cold—To-day it may be a cold and nothing more; to-morrow, congestion of the lungs may have commenced, and in a week the patient may be in a dying condition. "Hale's Honey of Horehound and Tar," when taken in the early stages of all Lung and Throat diseases, is an absolute and unfailing specific. Nothing can supply its place; nothing is needed. A favorable result is guaranteed. Sold by all Druggists everywhere at 50 cents and \$1. Great saving by purchasing large size. Pike's Toothache Drops cure in one minute.
